GERMAN LAW-MAKING.

The German Army to be Kept in an Efficient State.

TURCO-BULGARIAN TREATY.

Committee Work—Another Street Car Strike—No Strike There—Running the Chinese.

German Law making.

BERLIN, March 10.—Herr Windthorst's motion that members should not be compelled by the courts to testify in support of statements made by them in the Reichstag was discussed by that body to-day. Herr Von Boetticher, Minister of the Interior, said he was opposed to referring the motion to a committee until the Bundesrath had decided as to what course it should pursue in the matter. He added that the ministry was unanimously of the opinion that the article of the constitution dealing with the immunity of members did not exempt deputies from the obligation of giving evidence. Herr Windthorst's motion was referred to the standing orders committee.

General Von Moltke moved that the law relating to the law of pensions be amended, in the direction of improving the position of officers of the army. He said that the maintenance of peace depended upon Germany's being prepared for war, and that the efficiency of the army depended upon its officers.

Committee Work.

WASHINGTON, March 11.—The Senate committee on commerce further considered the Eads ship railway bill this morning, but did not reach a point of action. Several amendments to the bill are pending, designed to make it conform to the House bill. It is also proposed to make the passage of ten vessels, instead of one, the test of completion.

Senator Fraris, to-day, presented in open session, a petition of lawyers of Albany for the confirmation of J. S. Matthews, colored non-ree for recorder of deeds. This is an executive matter. The chair looked surprised but said nothing. The House committee on foreign affairs, to-day further discussed the Morrison bill to suspend the first twenty years operation of the Burlingame Chinese treaty. Rice, Republican member of the sub committee to which the bill was referred, presented a minority report adverse to the adoption of the measure and it was considered in connection with the majority report in favor of the bill prepared by Messrs. Cox and McAdams, but final action was deferred.

No Strike There.

PITTSBURGH, Pa., March 11.—Two hundred and fifty employees of McIntosh, Hemphill & Co., foundrymen, have been notified of an advance in their wages as from 5 to 15 per cent. take effect on April 5th. The action of the firm was a surprise to the men. No demands for an increase having been made, it is expected that other foundrymen in this city will follow the example.

The Trans-Continental War.

NEW YORK, March 12.—Messrs. Strong and Goddard, of the Atchison, and Mr. Potter, of the Chicago, Burlington & Quincy, are expected in this city to-night for the purpose of meeting C. P. Huntington, of the "Sunset," with a view to settling the trans-continental war.

Another Street Car Strike.

TORONTO, March 10.—This afternoon the street railway company was compelled to stop the running of cars altogether. Some cars were stopped by the strikers, the horses unhitched, and the cars turned sideways on the track. Several carmen backed their cars on the track and aided the strikers in their work. A tremendous crowd gathered and the police vainly endeavored to prevent the strikers from carrying out their designs.

The Usual Thing.

NEW BRUNSWICK, N. J., March 11.—The Dime Savings Bank, of this city, is in trouble. The doors were closed this morning, by order of the Secretary of State. The directors of the bank are now in session. They refuse to give any information as to what the trouble is. Arthur G. Ogilvie, secretary and treasurer, is rumored to be short in his account. The amount of the shortage is stated to be \$80,000.

The Treaty Accepted.

CONSTANTINOPLE, March 11.—A conference of representatives of the powers which met to consider the Turco-Bulgarian treaty, which among other things, creates Prince Alexander, of Bulgaria, ruler of Eastern Roumelia, has accepted the treaty in its entirety.

Running the Chinese.

LOS ANGELES, March 11.—The Trades Council has issued a circular calling on citizens to aid in peacefully removing the Chinese. A large number of employers are in consequence discharging Chinese. About 300 Chinamen have arrived here from mining districts since the agitation began.

Horse Sold.

LOS ANGELES, Cal., March 10.—The Sultan Sultan, record 224, was sold today by L. J. Rose to W. H. Wilson, of Cynthia's Kentucky, for \$15,000. There were also sold by Mr. Rose, thirteen other horses, by Sultan. The total amount realized was \$40,000.

THE PUGET SOUND PIPE CO.

OLYMPIA, W. T.

Sole Proprietors and Exclusive Manufacturers of

Horton's Water Pipe and Couplings.

These pipes are suitable for either water, oil or gas and are made to sustain a pressure of 300 pounds to the square inch, or a gravity head of over 300 feet. Water can be brought from any elevation in them without leakage or waste. The tube is made of the best pig-iron pipe which, being thoroughly seasoned, is spirally bound with strong iron bands of suitable strength for any required pressure. The whole exterior is then given a coat of asphaltum, which protects the iron from rust and the wood from insects or decay. The pipe is made in 8 feet lengths and spirally banded and connected with iron couplings. We manufacture this pipe in all sizes from 2 to 12 inches. The action of the water makes it perfectly water tight in a few hours. In point of durability this pipe exceeds all others. The asphaltum coating affords a thorough and almost everlasting protection to the iron banding against rust, while the wood being constantly saturated with water, will last for generations. It can be laid for from 1 to 4 cents per foot, according to sizes. It is from 1/4 to 1/2 the cost of iron and is equal in all respects to the very best standard iron pipe now in use. It will never corrode or give the water a bad taste, as is the case with iron; is less liable to freeze, and can be sent to distant points at 1/4 the cost. City or town corporations, or any others contemplating a system of water supply will find it greatly to their advantage to consult us for further information. All work guaranteed. Send for prices and quotations.
